14h00 – 14h45	<p>PANEL : TECHNOLOGY IN EDUCATION <i>Education technology has increased opportunities for teaching and learning for students across the globe. During the COVID-19 pandemic, many countries pivoted to technology tools to continue learning. Despite the proliferation of different technologies, there's growing debate over how and what technology tools can support teachers and improve learning outcomes for all students.</i></p> <ul style="list-style-type: none"> • Technology in education : A tool on whose terms? • Rotary in action

14h45 – 15h30	<p>PANEL : EDUCATION FOR PEACE</p> <p><i>UNESCO was founded in 1945 to build peace through international cooperation following two devastating wars in less than a generation. Scarred nations believed that economic and political agreements alone could not bring lasting peace and that lasting peace had to be based on the spiritual and moral solidarity of humanity.</i></p> <ul style="list-style-type: none"> • Dialogue seminar on positive peace and leadership • Rotary Peace Centers • Rotary's partnership with the Institute for Economics and Peace (IEP) • Promoting peace through Rotary Inter-Country Committees
15h30 – 16h00	<p>PANEL : POSITIVE PEACE ACTIVATOR</p> <p><i>The Rotary Positive Peace Activator Program provides selected individuals the opportunity to gain concrete knowledge & resources to foster peace and access to a global network of likeminded peacebuilders.</i></p> <p><i>Serving as a Rotary Positive Peace Activator is a unique opportunity to be part of a larger movement to help build peace at local, community levels, working in partnership with Rotary members, Rotary International, and the Institute for Economics & Peace.</i></p> <ul style="list-style-type: none"> • In this session, you will learn from members of the European and African cohort of Positive Peace Activators on how they are engaging civic education in peacebuilding
16h00 – 16h30	<p>PANEL : POLIO ERADICATION</p> <p><i>Polio eradication is one of Rotary's oldest and most important efforts. With our partners, we have immunized more than 2.5 billion children in 122 countries. We've reduced the number of polio cases worldwide by 99.9 percent, and we won't stop until polio is eradicated. During the conference, the Polio Eradication Champion Award will be presented to H.E. Emmanuel Macron, President of the Republic of France. The award recognizes world leaders who have made significant contributions toward the goal of polio eradication. It is aimed at heads of state and government, as well as senior health and development officials.</i></p> <ul style="list-style-type: none"> • Polio eradication campaign and advocacy • Presentation of the Champion of Eradication Award to H.E. Emmanuel Macron, President of the French Republic
16h30– 17h00	<p>CLOSING SESSION</p>
